REDUCE THE SPREAD OF GERMS & VIRUSES

In a world of viruses and bacteria, NoviSign Digital Signage launches new specially designed digital signage hand sanitizer kiosks that dispense 99.99% germ-killing sanitizer gel.

The new line of sleek freestanding and wall mountable hand sanitizing systems ship plug and play ready to go! The hand sanitizing kiosks come equipped with an internal auto-dispenser that dispenses gel, foam or liquid sanitizer, and feature a sturdy metal enclosing that is designed to withstand public settings. The built-in commercial grade 21.5" display allows organizations to easily display any combination of public announcements, advertisements, videos, slideshows, and media.

Hand sanitizing kiosks are the perfect solution for high-traffic public locations such as:

- Hospitals, medical clinics, and dentist offices
- Grocery and retail stores
- Commercial buildings & malls

- Gyms and health centers
- Hotels and resorts
- College campuses and schools
- Local government buildings
